## Welcome to the 2024 NDPS UK Salon

It was good to see such a large entry into this years Neath & District Photographic Societies UK Salon. Once again the standard in all sections was extremely high and the selectors Christine Widdall, Eddy Lane and Martin Patten had a very tough time deciding which images to accept. the variety of subjects, styles and techniques seen this year has been inspiring and thank you to everyone who entered their work making the 2024 salon such a success. Congratulations go to all photographers who submitted the winning images and to those that were awarded certificates for their efforts. I hope that next years salon will be just as well supported and the high standard continues to be maintained.  
Thank you all. **Carl Mason LRPS Chairman N&D Photographic Society**

Once again I would like to thank everybody involved in our 2024 Salon.

Neath & District PS is a small Club and the way the Salon has gone over the last few years I think we are now part of the Salon Calendar for a lot of photographers. My thanks go out to the team that help to run the Salon, David Edwards EFIAP/g EPSA DPAGB, Linda Cowen DPAGB AFIAP and Denise Evans.

Also Steve Bright of Brightimaging for the software, his invaluable help and support, and for hosting the on-line selection weekend. I would like to thank our Selectors Christine Widdall MPAGB EFIAP FBPE APAGB HonCPU , Eddy Lane ARPS DPAGB EFIAP APAGB and Martin Patten BPE5 EFIAP QPSA for their tireless work in the Selection process. Also to all of you who took the time to produce these images and enter our 2024 Salon. Last, but not least, Lu Duckett of Duckettlight Productions for putting this fine catalogue together.

Let's do it all again next year. **Colin Kelly CPAGB Salon Chairman** <http://www.neathphotographicsociety.org/>

## Judges Comments

I would like to thank Colin Kelly for the opportunity to be a selector for this year's Neath Exhibition. it was a pleasure, as always, to work with Steve Bright, who ensured that the technical side ran very smoothly. Working alongside fellow selectors Eddie and Martin was enjoyable too, and added their personal perspectives and expertise. Our goal was to achieve a maximum acceptance rate of 25%, and we successfully included 24.91% of the entire entry, which was also a credit to the entrants, and to the quality of their work. We did our best to accept and award a good variety of subject matter. of course, there is always an alternative exhibition that could have been chosen when there is such a high standard of entry. in selecting an exhibition, the scores are used as votes, to include an image or not. Inevitably, images may be successful in some exhibitions, but fail to be included in others, as the selectors attempt to maintain both high quality and a balance of subject types. Congratulations to those whose images were included this year. for those who were disappointed, best of luck next time! **Christine Widdall MPAGB EFIAP FBPE APAGB HonLPCU**

The Judging of this Exhibition was fascinating, it attracted a varied entry with some exceptional images across all sections. All three of us worked very well together with a clear consensus when it came to the acceptances and in the crucial discussions to agree the winners of the well deserved Awards  
The overall standard was high across the board and Judging remotely was well organised and effective—enabling us to focus totally on the images but also free to interact whenever necessary.

I am very satisfied with our final selection and believe that we have selected an excellent Exhibition that Neath should be proud of. Thank you to all who entered, and congratulations to the Award Winners. **Eddy Lane ARPS DPAGB EFIAP APAGB**

I fell back in love with photography having learnt in a darkroom at school after my daughter told me "Get a hobby Dad" when she left home to attend university. I am a former it and businessman, so the "Art and Science" of photography combined, appeals to me. I am very active in the Camera club world both as a judge and a speaker and have many visited clubs across the country both physically and virtually.  
It was a pleasure to be part of a very experienced judging team whilst evaluating so many fantastic images across all the classes. I feel that we chose some delightful and powerful images for awards from the wonderful set of images we were presented with over 2 concentration heavy days. **Martin Patten-DPAGB EFIAP BPE5**
