	2016/17 Presentation Night Dinner - date to be finalised

Please Note:

Following on from suggestions by our committee, you will notice a few dates have ‘programme trial’ in the programme listings. This is to let you know that a new presentation format is being trialled on that evening. The presentation will begin at 7:30pm as normal and will run until 8:30pm where the presentation will finish. At which point, we stop for a tea break and informal chat with our guest speaker and members. The evening will finish as usual at 9:30pm.
